▾ FEATURES

- The Camelot is a re-creation of a historical classic.
- Cast from solid non-ferrous brass or aluminum, the trim ring features the classic Egg-and-Dart architectural detail.
- The optional v-style overlay and acorn style cast brass bottom finial add another level of elegance.
- Thermally formed acrylic ranges from 3/16" to 1/4" thick, depending on size. Virgin white acrylic is UV stable, and all faux acrylic colors are mixed completely through to avoid noticeable fading.
- White acrylic is UL-94 HB Flame Class rated.
- OCL metal finishes are applied by hand and receive a protective clear coat lacquer.
- 21 standard powder coat paints offered, however all RAL colors available.
- Fixture offered with a variety of compact fluorescent and incandescent optic packages.
- Contact factory for additional modifications or options.
