FEATURES

- As its name suggests, this fixture shields the lamps with a gently curved aluminum face.
- Available with a solid, 0.064" thick plain aluminum face or a perforated face.
- The fixture creates an interesting radial glow on the wall.
- OCL metal finishes are applied by hand and receive a protective clear coat lacquer.
- 21 standard powder coat paints offered, however all RAL colors available.
- Fixture offered with a variety of compact fluorescent and incandescent optic packages.
- Contact factory for additional modifications or options.
