Loop™
PENDANT

FEATURES

• Unique tapered drum diffuser with open center (except on 14” size).
• Optional outer metal shade for directed downlight.
• Fixtures can be clustered together to create one large scale pendant.
• Diffuser is natural polyethylene, UV stable and UL-94 HB flame rated.
• Up to 94 lumens per watt.
• Field replacement of LED arrays and drivers is simple and requires minimal effort.
• LED luminaire reliability, L70 >70,000 hours at 70% lumen maintenance.
• 3 step MacAdam ellipse color binning.
• 24 standard powder coat paints offered, however all RAL colors available.
• Contact factory for additional modifications or options.

**Additional Information**

- Fixture mounts to a standard 4” octagon J-box (supplied by others).
- Bodine® emergency ballast available, standard with remote mounted test switch and indicator light.
- Advance® and Lutron® dimming ballasts available. Controls not included.
- Integral HPF electronic fluorescent ballast with Class A sound rating (3-5 year warranty depending on ballast specification).
- Integral Class II driver (3-5 year warranty depending on driver specification).
- For photometric data, please visit www.ocl.com.
- Structural mounting required for fixtures over 50 lbs.
- For specific mounting instructions, please contact factory.
- Five year product warranty.

**Specify Catalog Code**

Sample Code: LO1-PIEC-24-MW-MWP-40D26-120-36
