Fabric
PENDANT

FEATURES

• Hand rolled trims create elegant edges at top and bottom of fabric shade.

• Nine standard fabric choices are available; custom fabrics can be specified [contact factory for additional information].

• Customized shapes and sizes are possible for fabric shades [contact factory for additional information].

• Heavy gauge metal frames increases rigidity.

• Bottom diffuser fits tightly into fabric shade; virgin white acrylic is UV stable and UL-94 HB flame rated.

• Bottom diffusers are available with an optional etched pattern, custom patterns are possible.

• OCL metal finishes are applied by hand and receive a protective, clear coat lacquer.

• 24 standard powder coat paints offered; however all RAL colors available.

• Fixture offered with a variety of compact fluorescent optic packages.

• Contact factory for additional modifications or options.
