Tubie™
PENDANT

FEATURES
• Ability to be mounted in clusters or special configurations.
• Several energy efficient downlight options available.
• Integral ballasts and drivers.
• Optional decorative shrouds, and metal trim bars.
• Extruded diffuser is virgin white acrylic, UV stable and UL-94 HB flame rated.
• Up to 70 lumens per watt.
• Field replacement of LED arrays and drivers is simple and requires minimal effort.
• LED luminaire reliability, L70 >70,000 hours at 70% lumen maintenance.
• 3 step MacAdam ellipse color binning.
• Utilizes highly efficient, long lasting and low mercury T5, T5HO, or T8 lamps for minimal fixture maintenance and lamp disposal.
• 24 standard powder coat paints offered, however all RAL colors available.
• Contact factory for additional modifications or options.

MEASUREMENTS

*Optional downlight adds 5” to diffuser height.
