Bamboo™
PENDANT

> FEATURES

- Field replacement for LED array and driver is simple and requires minimal effort.
- Excellent thermal management is achieved through a precision-engineered die-cast aluminum fixture body.
- LED luminaire reliability, L70 > 50,000 hours at 70% lumen maintenance.
- LED light source exceeds 94.1% 6000 hour lumen maintenance, as required for commercial fixtures per LM-80 testing methodology.
- Fixture and LED light source are tested to LM-79 standards.
- 3 step MacAdam ellipse color binning and 90+ CRI are available [contact factory for details].
- Injection molded diffuser seamlessly threads into fixture body; virgin white acrylic is UV stable and UL-94 HB flame rated.
- Quality construction includes heavy gauge sheet metal, die-cast aluminum, and injection-molded acrylic.
- 24 standard powder coat paints offered, however all RAL colors available.
- Contact factory for additional modifications or options.

FIXTURE SPECIFICATIONS
- Fixture mounts to a standard 4” octagon J-box [supplied by others] or OCL’s optional Recessed J-box [RJB].
- For more information on RJB option, see pages 116-117.
- Bodine® emergency ballast available, standard with remote mounted test switch and indicator light.
- Emergency ballast mounting distance must be less than half the maximum remote mounting distance for the AC ballast from the lamps.
- Advance® and Lutron® dimming ballasts available/ Lutron® [3D] and various [0-10V] dimming drivers available. Controls not included.
- Integral HPF electronic fluorescent ballast with Class A sound rating (3-5 year ballast warranty depending on ballast specification).
- Integral Class II driver (3-5 year driver warranty depending on driver specification).
- Maximum overall height subject to ballast/driver specification. Consult factory for details.
- For lamp and base information, see pages 124-131 in the reference section.
- For photometric data, please visit www.ocl.com.
- Structural mounting required for fixtures over 50 lbs.
- For specific mounting instructions, please contact factory.
- Five year product warranty.

AVAILABLE OPTIONS
- RJB RECESSED JUNCTION BOX [4” WHITE CANOPY]
- EMI INTEGRAL EMERGENCY (13” WHITE CANOPY)
