### PHOTOMETRIC INFORMATION AVAILABLE AT WWW.OCCL.COM

- For lamp and base information, see pages 124-131 in the reference section.
- Structural mounting required for fixtures over 50 lbs.
- For specific mounting instructions, please contact factory.
- Five year product warranty.

### FIXTURE SPECIFICATIONS

- Fixture mounts to a standard 4” octagon J-box (supplied by others) or OCL’s optional Recessed J-box (RJB).
- For more information on RJB option, see pages 116-117.
- Bodine® emergency ballast available, standard with remote mounted test switch and indicator light.
- Emergency ballast mounting distance must be less than half the maximum remote mounting distance for the AC ballast from the lamps.
- Advance® and Lutron® dimming ballasts available. Controls not included.
- Integral HPF-electronic fluorescent ballast with Class A sound rating (3-5 year ballast warranty depending on ballast specification).
- Maximum overall height subject to ballast specification. Consult factory for details.
- For photometric data, please visit www.ocl.com.
