**SHADOW™ SCONCE**

**FEATURES**

- The Shadow features a sheet metal face formed from 0.064” thick aluminum.
- Decorative metal inserts are available in either perforated aluminum or basket weave, and are backed with an acrylic diffuser.
- Consult factory for modified face designs or acrylic colors.
- Virgin white acrylic is UV stable and UL-94 HB Flame Class rated.
- OCL metal finishes are applied by hand and receive a protective clear coat lacquer.
- 21 standard powder coat paints offered, however all RAL colors available.
- Fixture offered with a variety of compact fluorescent and incandescent optic packages.
- Contact factory for additional modifications or options.
