The Westport is OCL's updated version of a classic, industrial style pendant.

- Injection molded prismatic acrylic diffuser.
- Laser-cut slots in aluminum fitter allow circulation to keep lamps cooler for durability and efficiency.
- Unique bottom diffuser eliminates harsh glare from lamps while still transmitting light.
- Canopy, fitter and bottom trim ring are spun from solid, non-ferrous 0.064" thick aluminum.

- Tool-less access to lamp through bottom opening.
- OCL metal finishes are applied by hand and receive a protective clear coat lacquer.
- 21 standard powder coat paints offered, however all RAL colors available.
- Fixture offered with variety of compact fluorescent and incandescent optic packages.
- Contact factory for additional modifications or options.
