## FIXTURE SPECIFICATIONS
- Fixture mounts to standard 4" octagon J-box [supplied by others] on power feed side, and requires additional anchors for non-power feed side.
- Fixture is provided with 5" dia. canopy finished to match fixture.
- Various types of dimming drivers available, controls not included.
- Class II LED drivers - 120-277VAC 50/60Hz.
- OCL will include driver enclosure for remote mounting (OCL recommends max 30’ distance from fixture and accessibility after installation).

- Typical LED CRI 80+.
- Fixtures larger than 74.75” will be shipped in connectable segments.
- For photometric data, please visit www.ocl.com.
- For mounting instructions, please contact factory.
- Five year product warranty.
- All specifications and information subject to change without notice. See submittal for current specifications and information.
