The Schoolhouse and Cone series feature unique styles of hand-blown opal white glass. This timeless fixture is available with energy efficient compact fluorescent lamping. Constructed with solid, non-ferrous brass, aluminum or copper. OCL metal finishes are applied by hand and receive a protective clear coat lacquer.

- 21 standard powder coat paints offered, however all RAL colors available.
- Fixture offered with a variety of compact fluorescent, metal halide and incandescent optic packages.
- Contact factory for additional modifications or options.
