*For Minimum OAH, see hanging systems details. Fixture will ship with one of three standard OAH's (48", 100" or 144") field adjustable to the desired height.

Fixtures with PIEM hanging system, canopy will be MWP unless specified; fixtures with PIEC hanging system, canopy will match finish choice; power cord white unless specified.

NOTES / COMMENTS

Declare.

Please note that any additional colors, sizes, and/or options are not eligible for OCL Essentials. Refer to full product specification sheet for full luminaire configuration options and detailed product specifications.

The drawings and specifications and ideas, designs and arrangements represented on these drawings are and shall remain the property of The Original Cast Lighting (OCL Architectural Lighting) and no part thereof shall be copied, disclosed, to others or used in conjunction with any work or project other than the specified project for which they have been prepared and developed, without written consent of OCL. Visual contact with these plans or specifications shall constitute conclusive evidence of acceptance of these restrictions. All specifications and information subject to change without notice.
