

Tubie™ Pendant

Tubie™ Pendant

Simple, modern form meets function with this versatile cylinder. Tubie™ is now fully enclosed to guard against dust and debris. Static white, tunable white and RGBW light sources are available standard. Lengths start at 12 inches - up to 96 inches for a striking large-scale statement.

Tubie™ has been re-imagined to deliver maximum performance - up to 140 lumens per watt - but also for simplified manufacturing and shorter lead times.
