• Cast brass shells accent the trim ring of the Calypso and are the focal point of this 1920s reproduction.
• The optional v-style overlay and acorn style cast brass bottom finial add another level of elegance.
• Spun from solid, non-ferrous 0.040" thick brass, 0.040" thick copper, or 0.064" thick aluminum.
• Thermally formed acrylic ranges from 3/16" to 1/4" thick, depending on size. Virgin white acrylic is UV stable, and all faux acrylic colors are mixed completely through to avoid noticeable fading.
• White acrylic is UL-94 HB Flame Class rated.
• OCL metal finishes are applied by hand and receive a protective clear coat lacquer.
• 21 standard powder coat paints offered, however all RAL colors available.
• Fixture offered with a variety of compact fluorescent and incandescent optic packages.
• Contact factory for additional modifications or options.
### Fixture Specifications

**Series:** C1NA  
**Hanging System:** Surface Ceiling Mount
