**MONACO™ PENDANT**

**MN1-P2AA-23-GW-GRP**

- The Monaco features a shallow acrylic diffuser accented by a rolled brass or aluminum ring.
- Constructed with solid, non-ferrous brass or aluminum.
- Thermally formed acrylic ranges from 3/16" to 1/4" thick, depending on size. Virgin white acrylic is UV stable, and all faux acrylic colors are mixed completely through to avoid noticeable fading.
- White acrylic is UL-94 HB Flame Class rated.
- OCL metal finishes are applied by hand and receive a protective clear coat lacquer.
- 21 standard powder coat paints offered, however all RAL colors available.
- Fixture offered with a variety of compact fluorescent and incandescent optic packages.
- Contact factory for additional modifications or options.
